Did You Know...

*...you can earn credits toward future purchases if you leave a review of this product?
Pretty cool, right? Who doesn't love a discount?*

Here's how it works:

When you leave a review, you'll earn 1 credit for every \$1 you spent on TPT for that resource. Each credit has a value of 5 cents, so every 20 credits earned equals \$1 you can apply to future TPT purchases. We'll round up from 50¢ for you! If you provide a review on a resource priced at \$4.75, you'll earn 5 credits. TPT credits are only earned for reviews left on active, paid resources. Credits are not earned on gift card purchases, inactive resources, or free downloads.

After using a resource, you can leave a rating and review by following these steps:

- 1. Go to your "My Purchases" page.*
- 2. Click the "Leave a review" button (Note: you won't be able to leave a review until you've used the resource)*
- 3. Answer each question and leave a review sharing more about your experience with the resource. Then, click "Done."*

To redeem your credits, look for "Use Account Balance" located under the "Checkout" button in your cart. Enter the amount you'd like to apply toward your order, and click "Apply."
